DETAILED ACTION

Rejections and/or objections necessitated by the amendments

Claim Rejections - 35 USC § 103

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 45 as presently amended and 47 are rejected under 35 U.S.C. 103(a) as being unpatentable over Vo-Dinh (US patent 6,174,677) in combination with Sandhu et al. (US 2004/0192003) and Watkins et al. (US patent 6,689,700).

Vo-Dinh in combination with Sandhu et al. teach the claimed invention. **See the contents of the office action dated 07/21/05.**

Further with respect to amended claim 45, Vo-Dinh in combination with Sandhu et al. teach metallization of a nanostructure by exposing to a copper source but fail to teach that the copper source is Cu (II) acetylacetonate. See col. 11, lines 1-15.

Watkins et al. teach copper metallization using Cu (II) acetylacetonate as copper source to achieve metallization at low temperature. See col. 6, lines 10-15.

It would have been obvious to one of ordinary skill in the art of making semiconductor devices to incorporate the teaching of Watkins et al. into the process of Vo-Dinh and Watkins et al. to obtain the above benefits.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory

action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
